

# Winter Toast

Dec. 3  
5-8pm

Join the Platte St. neighborhood for the annual Winter Toast. This year 303 magazine will be kicking off the "Holiday Tour" and local stores will be offering food, drinks, and deals.

**Personal Stylist, Tina Gill of Worthwhile Style**, will be offering her expert advice to help you look and feel fabulous!

303 is filming a documentary about the whole "Holiday Tour" experience, so expect cameras and action.

Come into **Common Era** for some delicious **cheese** spreads with a variety of toppings, fresh **fruits** and of course 'sweets'. The best part will be when you choose that **special** something and bring it up to the counter to **purchase**. Dip your hand in our bowl of **discounts**. You'll receive **10% to 30% off**. This is the very best night to **shop** for yourself and your **friends**. It's our way of saying **thanks**.
